The Florida Department of Transportation will conduct a Public Kick-Off Meeting for the above referenced transportation improvements to provide information about the project and to initiate a series of meetings and workshops with the public and residents of the surrounding communities concerning the location, conceptual design and potential environmental effects of the proposed bridge replacement project. The meeting will be held on Thursday, March 29, 2007 from 6:00 pm until 8:00 pm at the Palm Beach County Convention Center, 2nd Floor; 650 Okeechobee Blvd., West Palm Beach, FL 33401.

Graphics and information about the project will be available for viewing in an informal setting from 6:00 pm until 8:00 pm and a formal presentation will be made at 7:00 pm. Project team representatives will be available to discuss the project and answer questions on an individual basis, and forms also will be available to those who wish to make their comments in writing. A project location map which includes the location of the meeting is enclosed, for your reference.

For additional information, please contact Miguel Vargas, P.E., Project Manager at (954) 777-4347; or by e-mail at miguel.vargas@dot.state.fl.us. Please call Mr. Vargas if you need special accommodations under the Americans with Disabilities Act of 1990. Requests for special accommodations under this Act should be made at least seven days prior to the meeting.

Sincerely,

Gustavo Schmidt, P.E.
District Planning and Environmental Engineer
